Over 100 Years of Cycling Excellence

First, it is a Club not a team. This means we come together through our cycling interest and develop friendships as we develop skills. CRC of A is set up to compliment all levels of riders - tourist to international team members. We have been involved in competitive cycling for over 100 years. We are the oldest and most successful Club in the United States.

Benefits of Club membership:

1. Experienced coaching for youth and novice adult.
2. Club calendar of events covering entire season (racing and social).
3. Club equipment, support and encouragement throughout your development in all phases of cycling.
4. Training races for development - road, track, time trial, criterium and cyclo cross, and mountain bike.
5. Benefits of USCF races sponsored by Club each year .
6. National networks of cycling contacts for team placement as you advance in category.
7. International network of cycling contacts for expanded race development. Including yearly chance to race in Europe against the best in your class or just see professional racing at its best.
8. Chance to become part of on-going history of a Club that was founded in 1891.
